Alder Disc Pendant Light

Ø 20 cm

Illustrative outline. Dimensions are stated values; drawing is not to scale.

DESCRIPTION

Alder is a ceiling pendant with one shallow painted metal dish, coloured outside and white inside, on a single black flex beneath a round black ceiling rose. One E27 LED bulb in warm white is included and shows beneath the rim of the dish. Two shade diameters are offered, each in Cream, Green or Red.

The flex is set to length at fitting: 120 cm is the length supplied, not the finished drop.

The diameter is measured across the shade. The room photographs show the 30 cm in cream.
