Eldren Curved Outdoor LED Wall Light

Small 6W

Illustrative outline. Dimensions are stated values; drawing is not to scale.

DESCRIPTION

An aluminium wall light with a curved hourglass body and integrated LED light directed upwards and downwards. Small and Large versions have different heights and widths. Black and Gold is offered in both sizes; Black and White are Small options. Warm White is available throughout, with additional light colours on selected Small versions.

Light colours are separate versions selected when ordering, not a colour-changing control.
