Elwen Fabric Wall Light

Product specification

Illustrative outline. Dimensions are stated values; drawing is not to scale.

DESCRIPTION

Elwen is a single-shade wall light combining a tapered fabric shade, a brown wood body and antique-toned metal fittings. The shade is available in White, Green or Red. One replaceable E14 LED bulb is included, providing warm-white light within the 38 cm high decorative fitting.

The 15 cm measurement is the front width, not the wall projection.
