LED Acrylic Drum Semi-Flush Ceiling Light

40 cm

Illustrative outline. Dimensions are stated values; drawing is not to scale.

DESCRIPTION

This ceiling light has concentric stepped drums and an acrylic diffuser over its integrated LEDs. The fitting is surface mounted, with no hanging cord or separate screw-in bulb. Three diameters are offered in Black, White or Grey, retaining the same layered circular outline across the range.

The LED is built in; there is no separate screw-in bulb.
