Modern Iron Dome Pendant Light

Product specification

Illustrative outline. Dimensions are stated values; drawing is not to scale.

DESCRIPTION

An iron dome and a smaller painted metal bowl form this pendant's two-part shade. The gloss enamel finish is offered in eight colours. The shade measures 23 cm across and 16 cm high, with an adjustable cord suspension above it. The fitting uses an E27 bulb.

The listed height describes the shade, not the total hanging drop.
