Quasso Flush Ceiling Light

Ø 20 cm

Illustrative outline. Dimensions are stated values; drawing is not to scale.

DESCRIPTION

Quasso is a circular flush ceiling light with an aluminium and iron body and an acrylic diffuser. Its integrated LED sits within a shallow 4.5 cm profile. The range offers two diameters in Black or White, with operation from a wall switch and no separate bulb.

The LED is built into the fitting; there is no separate screw-in bulb.
