Riven LED Reading Wall Light

Product specification

Spotlight: length × diameter: 10.5 × 2.8 cm
Light bar diameter: 1.6 cm / 0.6"

Illustrative outline. Dimensions are stated values; drawing is not to scale.

DESCRIPTION

A vertical LED wall light pairing a slender black bar with a gold-coloured reading spotlight and end caps. Two rocker switches sit on the backplate. The 50 cm fitting is available in Left and Right layouts, both in Warm White; a Natural White version is also offered in the Right layout.

Left and Right describe the side of the long bar when facing the fitting.

Warm and Natural White are separate versions selected when ordering.
