Taven Rattan Ceiling Light

Ø 20 cm

Illustrative outline. Dimensions are stated values; drawing is not to scale.

DESCRIPTION

A semi-flush ceiling light with an open woven rattan basket and black metal ceiling plate. The shade measures 20 cm in diameter and the plate 10 cm. One E27 bulb is included. The natural woven finish is intended for dry indoor rooms such as hallways, landings and bedrooms.

The shade has an open basket weave rather than an enclosed diffuser.
