Thala Modern Linear LED Pendant

L 60 cm

Illustrative outline. Dimensions are stated values; drawing is not to scale.

DESCRIPTION

Thala is a straight metal pendant bar suspended from two cords. Its integrated LED is paired with a full-length PMMA diffuser, creating a continuous light face along the profile. Four body lengths are offered in Black or White. The fitting connects to a hardwired ceiling point.

The LED light source runs along the bar; there is no separate screw-in bulb.
